Water Collaborative Delivery Association
Better Projects, Together.

2022 Advisor Member Application

WCDA advisor members are an affiliated "category" of firms working with, and providing services to, engineering and construction firms in the water design-build industry. Candidates for this group include legal, insurance and finance firms, equipment suppliers, consultants, contractors, vendors, trade associations, and academic institutions.

WCDA created this membership category to provide opportunities for service providers engaged in the water industry to collaborate with other member firms and gain further recognition of their services in design-build and other forms of collaborative project delivery.

Advisor Role

- Participates in WCDA's workgroups and committees developing practitioner guides and other resources to improve the practice of collaborative project delivery
- Contributes to the ongoing industry research, surveys, and studies
- Supports and participates with the WCDA in its ongoing education program

Advisor Benefits

- Direct engagement opportunities with other member firms
- Access to select WCDA member publications, research documents, and educational tools
- Opportunity for education and training sessions for staff members
- Company acknowledgment on WCDA's website and publications such as the WCDA E-News
- Opportunity to contribute blogs that address industry practices and issues
- Advisor Member Certificate for company use in exhibits and promotional materials
- Representative (selected unanimously by regular members) on the WCDA Board of Directors
- Represented on the WCDA Executive Committee by an advisor liaison (regular member) who interfaces with the advisor representative and advisor members to, among other things, help the advisor members effectively participate in the Association

Advisor Member Contribution

- $6,000 annually
- In-kind participation in committees
- In-kind collaboration to promote objectives

Note to applicant: It is the mission of the Water Collaborative Delivery Association (Association) to advance design-build and other collaborative project delivery methods to transform the water industry through thought leadership and education. We use the information provided in this application to confirm an applicant's commitment to sharing the mission, goals, and objectives of the Association as well as confirmation of an applicant's commitment to abide by the Association's Code of Conduct and Antitrust Policy.

PART I — Applicant Information

Legal Name of Applicant _____

Primary Contact of Applicant
