

# Collaborative Delivery Fundamentals

Open Enrollment  
In-Person Training  
Watsonville, CA

Join the WCDA and its sponsors for a full-day session on the fundamentals and implementation of collaborative delivery projects, based on the *Water and Wastewater Collaborative Delivery Handbook, Sixth Edition*, plus local case studies and a panel discussion.

**Who Should Attend?** Leaders, engineering, and O&M staff of public W/WW facilities who have an interest in learning the fundamentals of collaborative delivery. No previous experience necessary. Practitioners are welcome, too!
