

Fundamentals and Implementation of Collaborative Delivery

for Water & Wastewater Industry Professionals

Two-Day In-Person Course

GHD Limited | Waterloo, Ontario

Join the WCDA and its sponsor for a two-day course on Collaborative Delivery for Water/Wastewater Infrastructure — An Industry Uplift based the *Water and Wastewater Collaborative Delivery Handbook*, 6th edition.

Who Should Attend? Public utility leaders, procurement professionals, project managers, contractors, and O&M professionals who have an interest in learning the nuances of set-up and implementation of collaborative delivery methods to meet your CIP / level of service targets. This course features best practices for organizational readiness, identifying best opportunities, selecting, leveraging existing contract templates, procuring, monitoring, and delivering collaborative delivery contracts for W/WW programmes/projects. No previous experience necessary.
